Mighty to Save

Everyone needs compassion
Love that's never failing
Let mercy fall on me
Everyone needs forgiveness
The kindness of a savior
The hope of nations.

Savior, He can move the mountains
My God is mighty to save
He is mighty to save forever
Author of salvation
He rose and conquered the grave
Jesus conquered to grace.

So take me as you find me
All my fears and failures
Fill my life again
I give my life to follow
Everything I believe in
Now I surrender

We're singing of the risen King
Jesus, shine your light and let the whole world see
We're singing for the glory of the risen King.
Our God is an awesome God
He reigns from heaven above
with wisdom, power and love
Our God is an awesome God
Shine your light and let the whole world see
We're singing of the risen King (2x)

Reckless Love

Before I spoke a word
You were singing over me
You have been so, so good to me
Before I took a breath,
You breathed Your life in me
You have been so, so kind to me.

O, the overwhelming, never-ending
reckless love of God
O, it chases me down
fights 'til I'm found,
leaves the ninety nine
I couldn't earn it
I don't deserve it
Still You give yourself away
O, the overwhelming, never-ending
reckless love of God.

When I was Your foe,
still Your love fought for me
You have been so, so good to me
When I felt no worth
You paid it all for me
You have been so, so kind to me.

There's no shadow You won't light up
Mountain You won't climb up
coming after me
There's no wall You won't kick down
Lie You won't tear down
coming after me.

My Savior, My God

I am not skilled to understand
What God has willed, what God has planned
I only know at His right hand
Stand one who is my Savior

I take Him at His word and deed
Christ died to save me, this I read
and in my heart I find a need
for Him to be my Savior

That He would leave His place on high
and come for sinful man to die
You count it strange so once did I
before I knew my Savior

My Savior loves, my Savior lives
My Savior's always there for me
My God He was, my God He is
My God He's always gonna be

Yes, living, dying let me bring
my strength my solace from this spring
That He who lives to be my King
once died to be my Savior.

That He would leave His place on high
and come for sinful man to die
You count it strange, so once did I
Before I knew my Savior.

My Savior loves, my Savior lives

That He would leave His place on high
and come for sinful man to die
You count it strange, so once did I
Before I knew my Savior.

My Savior loves, my Savior lives
My Savior's always there for me
My God He was, my God He is
My God He's always gonna be

Great Are You Lord

You give life, You are love
You bring light to the darkness
You give hope, You restore
Every heart that is broken
Great are You, Lord

It's Your breath in our lungs
So we pour out our praise
We pour out our praise
It's Your breath in our lungs
So we pour out our praise
To You only.

You give life, You are love
You bring light to the darkness
You give hope, You restore
Every heart that is broken
Great are You, Lord

It's Your breath in our lungs
So we pour out our praise
We pour out our praise
It's Your breath in our lungs
So we pour out our praise
To You only.
