*"We honor God through regularly assembling together to worship Him as Lord,
study and obey His word, and attend to the needs of His people.
When we leave, we go out commissioned as Christ's representatives
to a needy world."*

Holy Spirit

There's nothing worth more
That will ever come close
No thing can compare
You're our living hope
Your Presence

I've tasted and seen
Of the sweetest of loves
Where my heart becomes free
And my shame is undone
In Your Presence, Lord

Holy Spirit, You are welcome here
Come flood this place and fill the atmosphere
Your glory God is what our hearts long for
To be overcome by Your presence Lord

Your Presence, Lord, Your Presence
Oh God, how we love Your Presence

Let us become more aware of Your Presence
Let us experience the glory of Your goodness
Let us become more aware of Your Presence
Let us experience the glory of Your goodness

Let us become
more aware of Your Presence
Let us experience
The glory of Your goodness

Holy Spirit, You are welcome here
Come flood this place and fill the atmosphere
Your glory God is what our hearts long for
To be overcome by Your Presence Lord

Lord Reign in Me

Over all the earth, You reign on high
Every mountain stream, every sunset sky
But my one request, Lord, my only aim
Is that You'd reign in me again

Lord, reign in me, reign in Your power
Over all my dreams, in my darkest hour
You are the Lord of all I am
So won't You reign in me again

Over every thought, over every word
May my life reflect the beauty of my Lord
You mean more to me than any earthly thing
So won't You reign in me again

Lord, reign in me, reign in Your power
Over all my dreams, in my darkest hour
You are the Lord of all I am
So won't You reign in me again

Lord, reign in me, reign in Your power
Over all my dreams, in my darkest hour
You are the Lord of all I am
So won't You reign in me again

Step by Step

O God You are my God and I will ever praise You
O God You are my God and I will ever praise You
I will seek You in the morning
and I will learn to walk in Your ways
and step by step You'll lead me
and I will follow You all of my days

O God You are my God and I will ever praise You
O God You are my God and I will ever praise You
I will seek You in the morning
and I will learn to walk in Your ways
and step by step You'll lead me
and I will follow You all of my days

I will seek You in the morning
and I will learn to walk in Your ways
and step by step You'll lead me
and I will follow You all of my days

Oh Lord You're Beautiful

Oh Lord You're beautiful
Your face is all I seek
And when Your eyes are on this child
Your grace abounds to me

Oh Lord please light the fire
That once burned bright and clear
Replace the lamp of my first love
That burns with holy fear

Oh Lord You're beautiful
Your face is all I seek
And when Your eyes are on this child
Your grace abounds to me

And when Your eyes are on this child
Your grace abounds to me

Eyes open (eyes open)
drinking in your strength and glory

Take a good look
at God's wonders
they'll take your breath away
