

Small Group Discussion Guide

(Week of March 13, 2022)

Open your group with a time of sharing and prayer. What is one thing you can ask God for today? Be specific.

I. Open your group by reading [Luke 17:1-6](#). Luke records several of Jesus' short sayings here in this paragraph. Summarize his point in verses 1-3a. Who might the person who causes others to sin be?

Summarize verses 3b-4. Explain what forgiveness involves. We are to forgive our brother who sins against us. What if he doesn't come to us to repent? Is there a limit to forgiving others? How about 8 times in one day?

Summarize verses 5-6. What exactly is faith? How does it grow? In what circumstances could we go around uprooting mulberry trees?

II. Now read [Luke 17:7-10](#). What should our attitudes be as servants of God? What does doing our duty look like? Give some examples.

III. Read [Luke 17:11-19](#). What do you know about leprosy in Jesus' day? (Note [Numbers 5:1-3](#)) When exactly did this miracle occur? Why was Jesus surprised afterwards? One out of ten seems like a small percentage of people who were grateful. Where were the other 90%? Does 10% seem accurate today in our society? Share your ideas.

III. Finally read [Luke 17:20-21](#). What exactly is the Kingdom of God? What were the Jews expecting to see in Israel? What was Jesus pointing them to? How does Jesus' definition of the kingdom align with Paul's in [Romans 14:17](#)? So when does God's kingdom come? (see [Matthew 6:10](#))

Close your group in prayer. Thank God that he is king over all, and that he is King(Lord) of your own life.
