

Small Group Discussion Guide

(Week of May 8, 2022)

Open your group with a time of sharing and prayer. Ask God to use his word to sharpen your insights as to what is happening in the world today.

I. Last week we looked at the rapture and the second coming of Christ. Today, let's pick up with the topic of the Antichrist. What do you believe about the Antichrist? Who is he? What will he do? What will become of him?

II. Read [2 Thessalonians 2:1-4](#). What rebellion is coming and why is the Antichrist called "the man of lawlessness"? Why is the temple an important detail in the rise of the Antichrist? Note [Daniel 9:27](#).

III. Now read [2 Thessalonians 2:9-11](#). According to this passage, why will people follow the Antichrist? Notice verse 10. What "truth" will people reject? And what "lie" will they buy into in verse 11?

IV. Read [Revelation 12:13-17](#). Describe what is happening here. Who are the women, the dragon, and the male child? Where do the dragon and his angels now exist?

V. Read [Revelation 13:1-10](#). Again summarize what is happening in this passage. Who is the dragon and who is the beast? What would the fatal wound be? What do the horns, heads and crowns represent? What's the significance of 42 months? Who are the saints and how do they fare here?

VI. Finally, read [Revelation 13:11-18](#). Explain the significance of this prophecy. Who is the second beast? When does all this take place? What do you suspect the Mark of the Beast will actually be? What could 666 mean? And what is the final outcome of all this according to [Revelation 19:19-20](#)?

Close your group by praying for wisdom and insight according to [Revelation 13:18](#).
