

Small Group Discussion Guide

(Week of May 15, 2022)

Open your group with a time of sharing and prayer. Ask God to direct your discussion and Bible study together.

I. Today let's do a "Part II" on the Antichrist and the great tribulation. Last week we looked at 1 Thessalonians and Revelation 12-13. Let's now look at the book of Daniel. Read Daniel's interpretation of King Nebuchadnezzar's dream in [Daniel 2:29-45](#). Summarize the significance of the four World Kingdoms. Who are each of them? What about the fourth Kingdom? How does God's Kingdom come out in the end? Are we there yet?

II. Now read [Daniel 7:1-7](#). How do these beasts align with the parts of the statue in Nebuchadnezzar's dream? Read on in [verse 8](#). How do you interpret all these horns? (See also [Revelation 13:1-2](#)) Notice also verses [11-12](#). Finally, read [verses 13-14](#). How does all this end and how does this reflect what we saw in [Daniel 2:34-35](#) and [Revelation 19:19-20](#)?

III. Now read [Daniel 7:15-28](#). What Kingdom does the fourth beast represent? What do we learn about the Antichrist in verses 24-25? What laws and set times will he try to change? What amount of time will the saints be under his power? How does this relate to [Daniel 12:1, 7, 11-12](#).

What can we gather from our study the last two weeks? How can believers today be both alert and ready as Jesus instructed us to be in [Mark 13:32-37](#)?
