Small Group Discussion Guide

(Week of February 2, 2020)

Let's begin our group today by discussing the Ministry Fair. What did you think of the event? Which groups did you visit? What did you see and learn? Any new ideas or confirmation for your group in regards to your upcoming Kingdom Project? Ask God to direct your discussion today and any decisions you make.

I. Now let's turn our attention to Ephesians chapter 5. Someone read [Ephesians 5:15-21](#). What stands out to you as you read these verses? Paul says the days were evil back then. Are they still? How can we know what God's will is for us today? Any examples?

II. Re-read verse 18. Someone explain how wine (alcohol) can control a person's attitudes and actions. In what sense can the Holy Spirit likewise affect or control someone's attitudes and actions? Now read verses 19-21. Highlight the four verbs in these verses that illustrate how a person full of (directed by) the Spirit acts. How are these evidences of the Holy Spirit at work in someone's life?

III. Finally, let's broaden our study and learn a little more about who the Holy Spirit is and what he does. Read each verse. Identify what it teaches about the person and work of the Spirit. Give examples from each verse where you have seen the Spirit working.

[John 3:5-8](#) [Ephesians 3:16-17](#) [Romans 8:5-6](#) [Galatians 3:1-3](#)
[John 14:16-17](#) [1 Corinthians 12:1-7](#) [Galatians 5:22-23](#) [Romans 8:26-27](#)

**Close your group in prayer. Take time to invite the Holy Spirit to fill (direct and empower) your individual lives. Be ready to follow the Spirit's prompting as you leave your group.*
