## Small Group Discussion Guide (Week of January 26, 2020)

*As a group, go back over the topic of the Kingdom Project. What have you discussed so far? What did you see or learn from the Ministries Fair? What other needs have you identified that your group might consider? Pray, asking God to direct your discussion.*

I. Today we pick up with the first half of Ephesians chapter 5. Read [Ephesians 5:1-2](#). How can we imitate God? In what ways do we see God in Jesus' life? What does a life of love look like?

II. Read [Ephesians 5:3-7](#). List the sins that Paul says are "improper" (out of place, out of character) for us as Christians. Discuss what each is and why they don't fit with our lives. In what ways is greed like idolatry (verse 5)? Expound on Paul's warning in verses 5-6. Should we spend more time preaching against these kinds of sins in our church? Explain your answer.

III. Finally, read [Ephesians 5:8-14](#). In what sense is Christian conversion like going from darkness to light? Any personal examples from your group? How can we find out what pleases the Lord? Note [Psalms 69:30-31, Proverbs 15:8, Romans 12:1, Colossians 3:20, Hebrews 11:6, Romans 14:17-18, 1 Timothy 2:1-3](#). Lastly, verse 11 says we are to expose fruitless deeds of darkness. What does this mean? Whose deeds? Should we be "telling on one another"? Note [1 John 1:5-10](#).

*\*Close your group by inviting God to shine the light of his Spirit on each of your lives. Watch for his light in the coming days and walk in it!*
