Spiritual Disciplines Guide

Week of January 29, 2023

For the month of February, we will shift our focus from the book of Psalms to another Old Testament book of Hebrew Poetry, Proverbs. The book of Proverbs, written by King Solomon, is referred to as *wisdom literature*. The theme of the book is simply godly wisdom. It expresses, explains and gives examples of what wisdom is and what wisdom does. The Hebrew poetry style used most often by Solomon is *contrasts*. He will contrast wisdom with foolishness, good with evil, lying with truth telling, industry with laziness, etc. In English, the two opposite concepts will be linked with the contrasting connective word *but*. Another mechanism Solomon will employ is *similie*. The key word here is *like*. He will illustrate what wisdom or foolishness is like by using examples comparing it to something else. Much of the book is written in short one or two sentence dities or sayings. This makes for easy memorization and hopefully, because of the breadth of topics covered in this book, some meaningful reading. Ask God to reveal to you more clearly his way of wisdom. Watch for personal application in any of the wise principles you uncover each day as you read. And, as always, expect God to bless you as you study his word. ([Proverbs 3:13-15](#))

- America: Continue to pray for the nation, our national leaders and a revival in America. Pray that God would use the pandemic, the economy and world events to lead people to faith in Jesus Christ. Pray for God's guidance and protection for our nation in the coming weeks and months.
