Old Testament  
Week of August 1, 2021

As we continue on through the Psalms, we will pick up with the book of Proverbs now as well. Proverbs, written by King Solomon, are a collection of short sayings covering a wide variety of topics. [\*Chapter 1:1-6\*](#) introduces the purpose of the book. The first 10 chapters are written in the context of a parent training a child. Solomon is preparing Rehoboam, his son, for his coming role as king of Israel. The Proverbs are mostly written to contrast something Solomon makes comparisons between wisdom and folly, industry and sloth, riches and poverty, truth and falsehood. Every chapter contains jewels of wisdom. Read this book with an open mind to what God desires you to know and do. As the proverbs says, *He who walks with the wise grows wise, but a companion of fools suffers harm.* ([\*Proverbs 13:20\*](#)).
