Bible Reading 2021
Chart the Course
Old Testament
Week of October 3, 2021

Isaiah is a wonderful mix of passages dealing with Israel, neighboring nations, the coming Messiah and the glories of God. This week we'll read two chapters predicting the future coming of Christ (Chapters 7,9) plus one looking forward to his ultimate kingdom reign (Chapter 11). Chapter 12 is a psalm of thanksgiving. Chapters 13-21 are oracles (messages) to various nations announcing a coming judgment for the way they have treated God's people, Israel. Notable among these messages is a prediction of the future conversion of Egypt and Assyria to God (19:16:25). Pay attention to the chapter headings so that you know who each section of Isaiah is referring to.
