Spiritual Disciplines Guide

Week of October 9, 2022

As we make our trek through the book of Proverbs, we continue to see the contrast between righteousness and wickedness. Virtues such as honesty, discernment, humility, patience, kindness, faithfulness and love are everywhere extolled in these middle chapters. Their opposites are decried by Solomon as undesirable and foolish. Many of these are portrayed by case of examples, like for instance.....[Proverbs 16:22](#) -- Understanding is a fountain of life to those who have it, but folly brings punishment to fools. Or, [Proverbs 19:16](#) -- He who obeys instruction guards his life, but he who is contemptuous of his ways will die. Many of Solomon's examples are humorous or even exaggerations, but they all make one central point -- God's ways are best. The wise will follow God's will. The foolish reject God. Both actions carry definite consequences, good or bad. Each of us must decide what our course of action will be. And, God will reward us or punish us accordingly. Each chapter is an exercise of mental wisdom, considering wise and foolish actions in a variety of forms and settings, and calling you and I to choose wisely and find blessings from God.
