Bible Reading 2021
Chart the Course
Old Testament
Week of December 26, 2021

Leaving Daniel, we pick up this week with the first of 12 Bible books coined “the Minor Prophets”. They are considered minor, not by their subject matter, but rather because they are shorter than the four major prophet writings -- Isaiah, Jeremiah, Ezekiel and Daniel.

First of the 12 is Hosea. The prophet Hosea appears in Israel at the time of King Uzziah, some time around 750 B.C. He preaches during the administration of several kings of the Southern Kingdom (Judea) about the time of the Assyrian exile of the Northern Kingdom of Israel. The primary theme of Hosea's preaching is that Israel has been unfaithful to God like a woman who leaves her husband to seek out other lovers. To illustrate the point, God allows the prophet to marry a prostitute who bears him children but then turns back to prostitution. God instructs Hosea to pursue his wife and to bring her back home, never to stray again. His painful life experience serves as a visual analogy of what God's people have done to him. Yet, like Hosea, God is ready and willing to receive them back if they will only turn away from their idolatries and unfaithfulness. The book ends with Israel's eventual return to God and his future blessings of his people.
