Be the CHURCH is DISCIPLESHIP

**Spiritual Disciplines Guide:**

- Invite the Holy Spirit to guide your reading each day.
- Read the chapters and underline any meaningful verses and take note of specific advice or wisdom gleaned from your reading.
- Note any unclear passages or teaching and seek insight, answers or help.
- Think about what you're reading. Ask:
  1. How does this apply to me?
  2. Are there any temptations to avoid, sins to confess, commands to obey or promises to claim?
  3. What insight do I gain on God, myself, others, or life?
- Ask God to show you any specific action you need to take as you read.

This summer our church will study the book of Acts. We want to look at The Early Church in Action and relate what we find to our present congregation in our generation. Our daily readings will require some personal thought and interaction with the text. Each day we will read one chapter of Acts, summarize the chapter in one or two sentences, give the chapter a title, identify one key verse and write out a personal application point. This assignment won't necessarily be easy, but it could be personally rewarding -- having to come to your own conclusions about what the Bible says and means, chapter by chapter. Work on it. Ask God to enlighten your mind as you read. Let the Spirit highlight personal insights as they relate to your own life circumstances. Be diligent. Be ready to listen for God's voice to you. And be ready to share what you are learning with others.
