## Spiritual Disciplines Guide

Week of January 14, 2024

Last week we looked at several times of restoration and renewal that occurred within the Old Testament nation of Israel. This week, let's broaden our horizons to see how God brings new hope and a second chance to Israel returning from captivity, to Ninevah, an avowed enemy of ancient Israel, and finally, to the future nations as Isaiah predicts a final regathering of people across the earth who came to faith and obedience to God. Again, these examples of nations apply both to America as well as to each of us personally. Enjoy your reading this week and watch for insights that you can glean for your own life circumstances.
