Spiritual Disciplines Guide

Week of November 19, 2023

This being Thanksgiving week, we will pause from our survey of the book of Matthew in order to zero in on a number of Old Testament praise and thanksgiving Psalms. Take ample time each day to read and reflect on the sentiment of the daily Psalms you read and their connection to your own life and circumstances. Thanksgiving needs to be more than an annual event in our lives. It needs to be a way of life. The right response to a gracious and loving God is to give him his due praise and thanks. We likely need to work on being more responsive to God and the Psalms is a place we can go to learn how to better vocalize our praise.

Happy Thanksgiving to you. Have a praise and thanks-filled week.
