## Spiritual Disciplines Guide

Week of November 26, 2023

Chapter highlights:

\*A key passage for me:

\*One point of application from today's reading:

Jesus said, “Whoever hears these word of mine and puts them into practice is like a wise man who built his house upon a rock” (Matthew 7:24) We have been surveying Jesus’ words in Matthew’s gospel and looking for practical applications for our lives. This week, let’s key in on several of Jesus’ teachings in the form of parables. A parable is a story with focus on what the kingdom of God is like. He uses earthly examples or experiences to show us something specific about the kingdom. Normally a parable has one central point or theme. The other parts of the story simply are meant to reinforce his main point. So when you read one of Jesus’ parables, ask yourself “What is the message Jesus wants us to get in this story?” Again the extra details are simply meant to reinforce the main point. We cannot insert a modern interpretation or our own meaning to the story. It means today only what it meant to Jesus’ audience back then. Enjoy your study of Jesus’ teaching and it’s significance for your life today.
