

Bible Reading 2021

Chart the Course

Old Testament

Week of April 11, 2021

Joshua is the first book of the Bible to bear the name of its principal character. Joshua records the conquest of Canaan as a new generation enters the land and seizes control of it. It is in part a military campaign and in part the culmination of God's promise to Israel as the land is partitioned and given to each of the respective tribes of Israel. This generation of Israelites perhaps more than any other, was faithful to follow God wholeheartedly and obey his instructions. The only exception is Achan's sin in chapter 7. The events of the book of Joshua cover about 25-30 years from the crossing of the Jordan River until the death of Joshua.
